FlexiSpot Chiropractor Program

Flexispot Standing Desk Converter

Put an end to your sedentary lifestyle

About FlexiSpot

At FlexiSpot, we believe there's a healthier way to work. We're passionate about transforming the conventional workspace into an active environment that supports wellness and productivity. Our commitment to wellness at work drives the design of every sit-stand workstation, height adjustable desk, exercise bike and ergonomic monitor mount we manufacture.

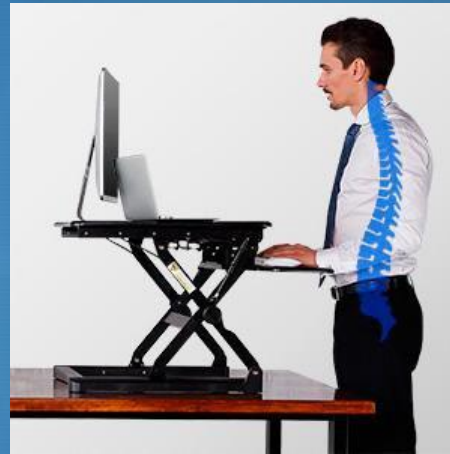

FLEXISPOT

SIT. STAND. MOVE.

Why use standing desk?

Help Shape Your Body

Relieve Neck or Back Pain

Improve Blood Circulation

“This is an excellent addition to anyone’s office who wants to work healthier. Assembly was very simple and quick.” — By Roger Huder, an Amazon verified purchaser

What's the FlexiSpot Chiropractor Program?

FlexiSpot offers active workplace products that supplement the chiropractic care you provide your patients — giving them an ergonomic solution for pain relief and natural daytime alignment.

Just promote us to your patients, friends and family, and for every order they make, you'll **earn 10% commission** as your “partner profit” (i.e. \$30-\$50 per order). Your patients, friends and family will also **save \$15** for their order when they use your exclusive coupon code.

Bob and Brad have over 50 years of combined experience in the physical therapy field and provide outstanding health information to patients.

-----Physical Therapists Bob Schrupp and Brad Heineck
